

## High Power, Wide Angle LED Light Box

### Product Features:

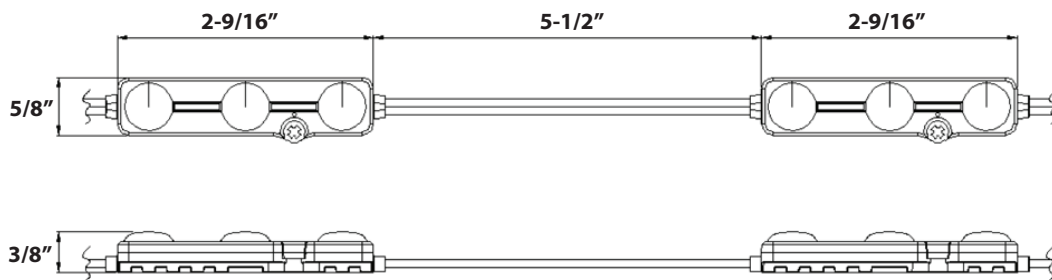

- Samsung LED chips
- UL , CE approved
- High power 1.2Watt each module
- Wide angle 150°
- Non-polarity

- Highest rating for water & dust protection(IP68)
- 100Watt power supply for 60 modules
- 150Watt power supply for 100 modules

Product No.	HLN3S-HW
Color	White 95K
Operating Power	DC 12V
Power Dissipation	1.20W
Current Dissipation	125mA
Luminous Intensity(lm)	120
Max Series Connection	30 modules
Viewing Angle	150°
Waterproof Rate	IP68

**SAMSUNG**   US

### Note

- \*Manufacturer recommended :
  - Box depth : 6"
  - Distance between bars : 8"
- Box depth can be from 4" to 12"
- If box depth is more than 6", brightness will decrease
- If box depth is less than 6", distance between bars must less than 8"
